

The College aims to provide significant opportunities to female students by creating a gender friendly environment in the college. Within the scope of this mission, the needs of a holistic education are given primary focus. The Governing Body of the college earmarks funds for the procurement of improved technology. The college teachers' council sponsors books & study materials to enable students to appear in competitive exams. A group of highly motivated teachers and non-teaching personnel cater to the students to optimize the delivery of educational services. The college provides the following facilities to ensure the same:

- **INFLIBNET- access to web resources in the library (Gyandhara)**
- **Free Jio-wifi network in the campus.**
- **ICT enabled teaching learning methods**
- **Optimal use of smart classes by faculty members**
- **Self defence courses for students to enable them to combat gender related violence**
- **An Internal Complaints Committee is in place to address the grievances relating to sexual harassment in campus.**
- **Regular parents-teachers meet for continuous appraisal of students' performance**
